Subject: New version of Smith response

Hi Jennifer and David,

Sorry for the delay. My computer crashed and I lost edits. Attached is a new version of the Smith response letter (incoming attached as well), based on discussion with David this morning. David, hopefully this captures the conversation. Edits in track changes are confined to the second paragraph.

Feel free to let me know when you've both had a chance to take a last look. Hopefully we can get this one done soon!
